

Blackbirds Newsletter

May 2023

What have we been learning...

Where did May go?! We have had a busy month with lots of story telling and learning about authors and illustrators. Blackbirds have been looking at fact and fiction texts and acting out our favourite stories - Going on a Bear Hunt and Jack and the Beanstalk.

We have also been looking after our caterpillars that have now turned to chrysalis - watch this space!

Our garden is coming along nicely but we are still hoping for lots and lots of flowers. If you have any spare plants or flowers, we would love any donations.

Don't Forget...

Please bring into Nursery each day - waterproofs (even in the warm weather as we have water play every day), a coat or jacket, spare clothes and a named sunhat and water bottle.

Donations

We are also looking for old shower curtains, old white sheets and of course, garden tubs, pots and plants!

What's next...

We are revisiting our 'Food' topic at the children's request. We are looking at where our food comes from, using our senses in food tasting activities and hopefully growing more vegetables. We will also be enjoying a 'spa day' or two in the coming weeks.

For the whole of June, we will be engaging in #30DaysWild with the wildlife trust. If you do anything nature connected at home, please send us some pictures or let us know so we can add it to our chart.
