January 2024

## Sparrows

### What Have We Been Learning?

This month has been packed full of fun activities!

We are so proud of the babies and how well they settled back into nursery after spending time at home celebrating Christmas with family.

We started off seeing the new year in with 2024 painting and firework chalk drawings.

Our first theme for the year was 'nursery rhymes', as all the children have loved singing them. They took part in 'old McDonalds' edible sensory farm, 'incy wincy spider' tuff tray and making 'I had a little turtle' using paper plates.

It's safe to say the children loved this theme!

Then to end this month, we are taking part in National storytelling week, where we will be focusing on popular books such as the 'Gruffalo', 'We're going on a bear hunt' and 'Rainbow fish.'

## Whats Next?

Next month we will be looking at Chinese New Year and doing some cooking with chef Bryan to make something traditional to help celebrate the festival.

We will also be enjoying some yummy pancakes on Shrove Tuesday, spreading the love for Valentines Day and exploring 'The hungry caterpillar.'

We are going to be very busy, but very happy engaging in lots of fun and amazing activities.

## Reminders

Thank you to everyone who has donated resources so far, we really appreciate it and have started using this already within the room.

If anyone else has any old cameras, phones, or technology they no longer want or need, as well as fairy lights, fake plants, wicker baskets, clocks and wooden toys, then please bring them in or email over a picture for us to have a look at and we can let you know if they are suitable.
