

## What have we been learning?

Well January went by quicker than expected!

We kick started the month off with lots of New Years activities, like firework printing and colourful tuff trays to learn about colours.

We then entered 'story telling week' where we incorporated the children's interest with their favourite books, such as 'The Gruffalo', 'Farm' and 'That's not my...', which the children thoroughly enjoyed.

We then focused on sensory play, which included; citrus water play, jelly play, chia seed messy play & lots more. The children really enjoyed using their senses and experiencing new things.

We finished the month off with Chinese New Year, where we explored the colour red and used chopsticks within our play, waving the Chinese flag and doing lots of crafts.

Sparrows also took a trip to Tatsfield Primary School to support them with their fundraiser, by dropping off lots of our spare clothes to help them raise money.

## What's next?

Next month we will be taking part in lots of fun activities such as 'children's mental health week', 'Valentines Day' and we will be looking at animals too.

## Reminders

As the weather is becoming colder and wetter, please can you ensure your child has warm waterproofs, wellies, a hat and gloves and lots of spare clothes.
